Dear Parents/Carers

Welcome back to school and Happy New Year. I hope you and your families are safe and well. I just want to take the opportunity to give you an update surrounding the current situation for schools in our local area.

During the Christmas holidays we learnt about the new variant and moved into a Tier 4 area. In light of these developments we have reviewed our risk assessment and followed local and national guidance to ensure all safety measures are implemented and regularly reviewed.

The Government position with regard to school openings/closures is very fluid at the moment and as such, could change at any time. As a Trust and school we shall endeavour to keep our school open for all children, but are aware that operationally this may be difficult at times. We shall continue to communicate with you as and when national guidance and updates are published.

If you require any further information please don't hesitate to call or email, where we will answer any questions or queries you may have.

Thank you for your continued support.

Yours sincerely

*B M Quirke*
