

*Cross country Race – Glossopdale.*

*Wednesday 16<sup>th</sup> October 2019.*

*Well done to our fantastic cross- country runners. They were all amazing and gave it 100% effort.*

*It was not an easy course to run. It had been moved to the AstroTurf at Glossopdale School because the original venue was waterlogged. The new course was fairly complicated, following a coned-out course, but our wonderful pupils took it in their stride.*

*Alice was our only representative in the Year 3/4 girls race and she did us proud. Well done Alice.*

*In the year 3/4 boys race Oliver Mannion came an admirable first place out of all the competitors from all the schools. A fantastic performance. Well Done Oliver. He was closely followed by Logan Fothergill who came an overall 12<sup>th</sup> position. Not too far behind them came Liam and Daniel. We are very proud of you all.*

*Our year 5/6 competitors were Lila, Seren and Martha. Abi also came along to give her support. Lila came first out of our St Charles competitors, closely followed by Seren and Martha, who crossed the finishing line together. Fantastic effort girls. Finally, in the year 5/6 boys competition, Jayden was one of the lead runners for most of the race. However, James Carney managed to pace himself well and came first out of the St Charles boys (14<sup>th</sup> in the overall race). Seb, Max, Jayden and Oscar then finished in that order fairly closely together.*

*It was a fantastic performance by them all. Well done.*
