RSE Spiritual

Understand that God causes new life to being through the love that parents have for each other. Celebrate God's creative love in creating us as his children and recognise that we grow as human beings to the extent we give and receive love. The on-going understanding of marriage is living out love. As Christians, we can appreciate the sheer wonder of the sexual act. God created the incredible natural process by which husband and wife bring new life into the world. The church celebrates all this in the Sacrament of Marriage.
