

Year 3 Advent 1 Newsletter

Welcome back, I hope you all had an enjoyable summer break and are ready to be back at school. I am delighted to be teaching your child and am very excited about starting a new year. Here is an overview of our learning for this half term.

English

This half term as writers, we will be writing a range of genres based around our History theme, The Stone Age.

This half term as writers, we will be focusing on:

Instructions

We will begin by sharing and enjoying the story and then exploring different imperatives and prepositions as well as following and testing out some instructions. We will then write our own instructions for how to wash a mammoth!

Narrative and Dialogue

We will look at the story 'Stone Age Boy' and see how different life was during the Stone Age time. We'll be focusing on using speech marks to indicate direct speech and how we can describe our surroundings using a range of adjectives, noun phrases and adverbials. We will then try our hand at writing some poetry.

Non-fiction

We will look at the life and achievements of Mary Anning. This will allow us to focus on chronology and writing a simple timeline of her life. We will also begin to use paragraphs in our writing.

Maths

In Maths, this half term we will be using White Rose Maths.

As Mathematicians, we will be focusing on:

-Place value within 1000

-Addition and subtraction of 2- and 3-digit numbers.

As mathematicians, we will be focusing on our mathematical vocabulary and our reasoning skills. White Rose models and supports children's learning in instilling a growth mindset approach to maths and will focus on helping all children to build a deep understanding of maths concepts. The mastery programme is designed to spark curiosity and excitement and nurture confidence in maths.

RE

Our focus for RE this half term will be Creation and Covenants where we will be exploring the glory of God's creation.

History

Big Question: Would you want to live in The Stone Age?

LQ1	How do we find out about the past?
LQ 2	Who were the earliest people in Briton and how did they make shelters? Can you make your own Stone Age home?
LQ 3	Would the earliest Britons have visited a supermarket for their food?
LQ 4	What can you find out about The Stone, Bronze and Iron Age?
LQ 5	What do we know about the life of early Britons through the art they produced?
LQ 6	How do you think the early Britons would have communicated?

Science

Big question: How can Usain Bolt move so quickly?

LQ1	Why do I need to eat a balanced diet? (food groups)
LQ2	Why do I need to eat a balanced diet? (balanced diet)
LQ3	How is nutrients transported round the body?
LQ4	What's the job of my skeleton?
LQ5	Do all animals have a skeleton like mine?
LQ6	How do I make my skeleton move?

Year 3 Animals including humans

Guided Reading

Our Guided Reading text for this half term is Bill's New Frock by Anne Fine. As readers, we will be reading this text as a class and answering a range of different questions relating to this text. We will be paying particular attention to interpret questions and considering the authors choice to support our understanding of the text.

When Bill Simpson woke up on Monday morning, he found he was a girl...Forced off to school in a frilly pink dress, Bill discovers one of the worst days in his life is about to begin.

Baffled by the way things are just *different* for girls, Bill falls headlong into trouble. As the amazing day drags on, Bill's new frock becomes dirtier and tattier. How will it all end for Bill?

How can you help?

Weekly Homework

- Homework will be set via Seesaw on a Friday and will need to be completed by the following Friday. If you have any trouble accessing homework online or would prefer a paper copy, please come and see me and I can arrange this for you.
- Every 2 weeks your child will receive spellings. The spelling test will take place on a Friday morning. Please practise these spellings with your child at home!
- Spelling Shed – please ensure your child is accessing this regularly at home, there are certificates and rewards for children who access this! If your child has misplaced their login, please let me know.
- TT Rockstars – please ensure your child is accessing this regularly at home too, it is extremely important that they regularly practice and apply their multiplication and division knowledge.
- Remember to read every night with your child and sign their diary too!

Thank you for your support and if you have any questions about your child's learning or progress, please don't hesitate to contact me.
